MGNREGS – Documents, Forms and Registers

Learning Unit 2.3

Training Module for Barefoot Technicians

Learning Unit 2.3

MGNREGS - Documents, Forms and Registers

Training Module for Barefoot Technicians

Technical Team for Preparation of the Modules for Barefoot Technicians

Mr. Mukesh C Gupta,
Senior Adviser (Consultant), ILO

Mr.A.Murali, IAS
CEO, SERP-Telangana

Mr.M.Siva Prasad,
Sr. Engineer, PRED, A.P.

Mr.Andreas Beush,
Senior Consultant, ILO - Switzerland

And a Team of following Resource Person contributed in developing the Training Manuals

Mr. V. Muralidhar, Office of Commissioner, Rural Development, Telangana
Mr. Sonal Kulshreshtha, GreenSync Solutions Pvt Ltd, Jhansi
Mr. Murlidhar Kharadia, Samaj Pragati Sahayog- Bagli
Mr. Dipak R. Jargela, Aga Khan Rural Support Program -Ahmadabad
Mr. A.Venkateshwar Rao, PRED-Hyderabad
Mr. Nirmal Kumar, PRED- Vijayawada
Mr. M.Bhakthar Vali Sab, Wassan -Hyderabad
Mr. Narendra Patel, Samaj Pragati Sahayog- Bagli
Mr. Rajesh Mit, Pradan- Jharkhand
Mr. Ishwar Babu Bairwa, Foundation for Ecological security- Jaipur
Mr. Vishal Gupta- Peoples Science Institute- Dehradun

M/s. T2 Information & Design LLP Team assistance in page setting, designing and printing

Mr. M. Gangadhar, Mr. Sudipta Kundu, and Mr. Chandan Sen Gupta contributed to preparation of sketches and drawings

The above Team worked under overall guidance and backstopping from:
Mr. R. Subrahmanyam IAS, Joint Secretary, MGNREGA, MoRD, New Delhi
Ms. Gayathri Kalia, C.O.O, DDU-GKY, MoRD, New Delhi
Mr. Rohit Chandra, DDU-GKY, MoRD, New Delhi
Mr. Manish Kumar, DDU-GKY, MoRD, New Delhi
Ms. Pannuda Boonpala, OIC, ILO New Delhi and DWT for South Asia
Ms. Mito Tsukamoto, Senior Adviser, DEVINVEST, ILO Geneva
Mr. Paul Comyn, Senior Specialist, Skills Development, ILO DWT for South Asia
Mr. Bjorn Johannessen, Senior Specialist, E.I.I, ILO ROAP, Bangkok
Ms. Anjana Chellani, Programme Officer, ILO, New Delhi

Acknowledgements

This module is the outcome of a team work and support from many persons and agencies. We are thankful to the Ministry of Rural Development (MoRD) and Deen Dayal Upadhyay – Grameen Kaushalya Yojana (DDU-GKY) and the ILO for entrusting this task of developing the training modules for the development and training of MGNREGS Barefoot Technicians.

The Team owes special gratitude to Mr. R.Subrahmanyam, IAS, Joint Secretary MGNREGA, MORD and Ms. Gayathri Kalia, C.O.O DDU-GKY for providing encouragement and continuous guidance. We also wish to thank Ms. Pannuda Boonpala, Ms. Mito Tsukamoto, Mr. Paul Comyn, Mr. Bjorn Johannessen and Ms. Anjana Chellani of ILO for their continuous support and backstopping to the Team.

Learning Unit 2.3

MGNREGS – Documents, Forms and Registers

Purpose of the learning Unit

This specific learning outcome will enable you to describe different forms, formats and registers which you may come across in your day to day job role in MGNREGS.

By the end of learning unit the BFT will be able to:

Understand different forms and formats and be able to fill some of them with specific details which are to be filled in different columns.

Introduction

MGNREGS is a country wide programme. All the states may have different systems and understanding of the processes to be followed. To maintain uniformity and transparency across wide geographical coverage, certain guidelines for forms and formats have been introduced under the programme.

These forms and documents have been mentioned in the Operational Guidelines of MGNREGS. At this time latest updated guidelines are "MGNREGA Guidelines, 4th Edition, 2013" Latest guidelines can be downloaded from http://nrega.nic.in/guidelines.htm.

Elements covered under this unit are being briefed here:

Elements of the learning Unit

Element 01: Job Card Application

In this learning Element, you will understand the format for application for job cards and the receipt one should get after the submission of application. This application can be given by the households, who are not registered under MGNREGS and do not have Job Cards

Element 02: Demanding for Work

In the Element 2, you will go through the application formats required for individual or a group demanding work and also the formats of receipts.

Element 03: Job Card

In Element 3, you will understand about the format and information covered in the Job Card for the households.

Element 1

Job Card Application

Job Card Application

Learning Element outcome

This specific learning outcome will enable you to understand and describe the format of Job-card application and the receipt of job card application.

Summary

This element explains the format and the information which should be provided while applying for the new job card. This element also covers the format of the receipt to be given to household against the job card application.

Introduction

Job card is the first requirement to access the MGNREGS. One need to have job card for getting the benefits of MGNREGS programme. This make the household enable to get job and wages under MGNREGS. If any household have not yet received job card they may apply for the same using the format provided

1. Application for Job Card and Registration

To

The Panchayat Secretary
---------- Gram Panchayat
---------- Block/mandal

---------- District Sir/madam,

Sir/madam,

I ---------- (S/o)/ (D/o)/ (W/o) ---------- residing in H. No of ----------the habitation/ward---------- Gram Panchayat request you to enrol me/us under Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) and issue the Job card.

The details of my family members are as follows

1. Ration Card No: (*give your Ration Card No)*
2. Category: (Category: (SC/ST/OBC/BC/Ohter/Gen)
3. Having Household Latrine: Yes/No (self-explanatory)
4. Beneficiary of Indira AavasYojana: Yes/No (self-explanatory)
5. Beneficiary of RoFR Act: Yes/No (Recognition of Forest Right act)
6. Details of Agriculture Land (If any) (self-explanatory)

Sl. No	Name of the land Holding	Type of land (Wet/Rainfed)	Survey Number	Extent in Acres

Job Card Application

Detail of family Members

S No	Name	Father/ Mother / Husband's Name	Male / Female (M/F)	Age as of the day	Relationship with Head of Family	Disable (Yes/ No)	Adhaar Card number	Member of SHG (yes / No)	If yes, Name of the SHG	Mobile number (if available)

The above information is correct to the best of my knowledge
Date

Yours Faithfully

Signature

Element 2
Demanding for Work

Demanding for Work

Learning Element outcome

This specific learning outcome will enable you to describe how a wage seeker can demand for work through an application, individually and in groups. Also about the format of the receipt they are supposed to get in both the cases of individual and group applications

Summary

This elements explains the formats for application for demanding the work. Work demand can be raised individually or in group. As it is mandatory to a wage seeker to apply for the job and once he applied, it is also mandatory that he get the job within certain time period or the unemployment allowance. In this context the receipts of the job application with date is an important aspect. Format for these receipts have also been explained in the element.

Introduction

After getting the job card, household is eligible to get the job if the adults of the household are willing to do unskilled work. Each household is entitled for at least 100 days in a year. To get the job one has to apply for job through an application. Demand for the work can be raised individually or jointly in groups. Once you have submitted the application, it is must for authority to provide the receipt of the same. All of these formats are being presented / explained below.

1. Application for Work Demand (Individual)

To

The Panchayat Secretary

---------- Gram Panchayat

---------- Block/Mandal

---------- District

Sir/madam,

I hereby submit my application for work under section 3(1)of paragraph 9 of schedule II of Mahatma Gandhi National Rural Employment Guarantee Act, The details of my request and the period for which work is required are

S No	Name of the Applicant with Father's or Husband's Name	Address	Job Card Number	Period(s) from which employment is needed		Requirement of Creche (Yes/No)
				From	To	

I am willing to work for at least 14 continuous days in the work allotted to me.

Signature/ LTI Thumb Impression of the Applicant.....

Date:

Yours Faithfully

Job Card

Job Card

Learning Element outcome

This specific learning outcome will enable you to understand and describe the details to be filled in the household Job Card

Summary

This element share and explains you about the format of Job Card, including cover page as well as inner pages.

Introduction

As described earlier, Job card is an essential feature of the MGNREGS. There is a specific format for the same, which need to be followed as per the guidelines. As a part of the programme, you as a prospective BFT need to understand its details. Cover page and inner pages formats are being given below.

Household Job Card (Cover Page)

(Photos of adult family members to be pasted)

Name of the Family Head _____

Age: _____

Job Card Number: _____

Ration Card Number: _____

House Number: _____

Habitation/ Ward No: _____

Gram Panchayat: _____

Block: _____

District: _____

- All entries in the Job Card shall be duly authenticated by signature of an authorised officer.
- The Job Card shall bear the photographs of only the registered adult members of the households to whom the Job Cards has been issued.
- No photograph, name or details of any person other than that of the registered adult members of the household to whom that Job Card belongs shall be affixed or recorded in the Job Card.
- All Job Cards shall be in the custody of the Job Card holders to whom they belong.
- Job Cards shall be issued by Gram Panchayat.

Element 4
Labour Budget Format

Labour Budget Format

Learning Element outcome

This specific learning outcome will enable you to describe the concept of Labour budget and simplified formats for estimating the labour budget. This has been done for both, Blocks covered under Intensive Participatory Planning Exercise (IPPE) and non IPPE Blocks

Summary

This element explains about the basic concept of labour budget, simple formulae and simplified formats. These simplified formats will strengthen your understanding about the labour budget.

Introduction

Labour Budget is defined as the number of days employment required in a Panchayat, in a financial year for the potential households registered under the Scheme. The Labour Budget shall be prepared month wise for each Panchayat/ Ward in the format given.

LB = Number of potential wage seeking House Holds (HH) x Average

Wage days (D) required per household in a Gram Panchayat

Note:

HH= Maximum number of potential households reported to work in any one financial year during the previous years.

D= Maximum number of average days of employment provided in any one financial year during the previous years in the Panchayat.

Labour Budget shall be translated into financial budget (in Rs.), duly multiplying the LB days, with cost per person day

Financial Budget (FB): Labour Budget x Cost per person day

Person day cost shall include approved wage rate of that year + equivalent material cost.

Eligible material cost= (40/60) X Approved wage rate.

District:				Block/Mandal:				
Gram Panchayat:				Planning Year:				
Habitation:								
Month	Previous years no. of HHs reported for work	Average days per HH	No. of person days generated	No. of expected HHs reported for work	Expected Average days per HH	Expected No. of person days generated	Cost of person day =(Wage rate+ material)	Wage Amount in Rs (7X8)
1	2	3	4	5	6	7	8	9

designation & date:								
Signatures of the Panchayat Members:								

Note

- The projected households shall not be more than the registered households.
- The maximum number of households reported to work in any of the previous year shall be the basis for the projected households.
- The average days of the GP shall not be more than 100 days.
- The maximum number of average days in any of the previous year shall be the basis for the average days of the GP.

Labour Budget Format

Labour Budget Format in IPPE Blocks

Labour Budget Format in IPPE Blocks

(The data has to be captured household wise)

Gram Panchayat:					Habitation:					Planning year:						
Sl. No	Name of the Job card holder	Job card ID	Social status	No of days wage employment requested for the planning year												Total
				Apr	May	June	July	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Days
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17
													TOTAL			
Signatures of the planning team with designation & date:																
Signatures of the Panchayat Members:																

- Scheduled Castes
- Scheduled Tribes
- Nomadic Tribes
- De notified Tribes
- Other families below poverty line
- Women headed households
- Households headed by persons with disabilities
- Beneficiaries of land reforms
- Beneficiaries under Indira AwaasYojana
- Beneficiaries under the Scheduled Tribes and other traditional
- Forest dwellers
- Small & marginal farmers

Under MGNREGS, certain backward Blocks in the country have been identified as Intensive Planning Process Exercise (IPPE) Blocks, which require more MGNREGS focus considering vulnerability and necessity of the habitants of these blocks. In these blocks planning process includes the participatory involvement of the (especially primary) stakeholders and strengthen their livelihood regularly. In context of Labour Budget, the captured projections of the demand for work is based on household survey in case of IPPE blocks and based on Panchayat levels projections/ estimations.

Introduction

Muster roll is the record of the labourers' engagement days on work. It is an important document from the aspect of deciding the wage amount of each of the labourer in the group and also from transparency aspect. It is also the right of labourers to check the Muster Roll to have information about their employment. Whenever the muster is issued by the Issuing Authority i.e. Programme Officer at Block Level, s/he has to maintain records in the Muster Roll Issue Register. Format of that is also being given bellow.

1. Sample Muster Roll format:

Purpose of the Muster Roll is to maintain the records of the attendance of the employee's everyday which will also help in ensuring the transparency.

S No	Name of Worker	Job card Registration no	Sex (M/F)	Saving Ac No (Bank or PO, if any)	Day 1*	Day 2*	Day 3*	Day 4*	Day 5*	Day 6*	Day 7*	Amount paid or credited to Ac	Signature /LTI of payee

Element 7
Work Site Tools, Material at Site Registers

Work Site Tools, Material at Site Registers

Learning Element outcome

This specific learning outcome will enable you to describe the registers which can be used for tools and material management at site.

Summary

This element explains you about the sample formats for maintaining records of work site tools as well as the Material at site. The receipt, consumption and balance quantity on day to day basis to be recorded in the resisters are explained in this learning element.

Introduction

As per the guidelines of MGNREGS it is not recommended to procure the tools centrally, but in case they are procured or facilitated by the Gram Panchayat, formats discussed in this element will help to maintain the stock of the tools and material procured at site.

Work Site Tools Register

Purpose of the register is to maintain the records about the tools available at site and maintain the information related with tools stock

S No	Date of Issue	Type of tools (crowbar/ pick axes, spade, Bowls etc	Name of the group	Group ID	No of tools issued	Issued to whom (Mate or GRS/ FA)	Signature of the recipient	Signature of the issuing authority
1	2	3	4	5	6	7	8	9

Note:

- The register may be maintained by the GP or PO as per the system followed in the state.
- The work tools may be owned by the GP and may be issued to the groups on hire basis or free of cost for temporary use on day to day basis.
- The work tools like hand rammers, compactors, hand rollers, water tanks shall be made available for works.

Material at Site Register

Purpose of this format is also to maintain the records and stock of the material procured or transferred to the site. BFT is responsible for maintaining the material at Site register (MAS)

S No	Name of Material	Date of procurement	Date of issue	Work ID	Quantity issued	To whom issued	Quantity used on work	Balance quantity at work site	Signature of the recipient	Signature of issuing Authority
1	2	3	4	5	6	7	8	9	10	11

Key Learnings

1. What is the purpose of Work site tool register

_____

_____

_____

_____

_____

2. What is the purpose of Material at Site register

_____

_____

_____

_____

_____

3. Who is responsible for maintaining the Material at Site register

_____

_____

_____

_____

_____

Exercise

1. Assume that Gram Panchayat has bought 30 bags cement for construction of a check dam Ramdin was issued 12 bags of cements. At the end of the day, only 10 bags of cement could be used. Fill a Material at Site register on that day. Assume the information, if required.

S No	Date of procurement	Date of Issue	Name of the work	Work ID	Quantity issued	To whom issued	Quantity used on work	Balance quantity at work site	Signature of the recipient	Signature of issuing Authority
1	2	3	4	5	6	7	8	9	10	11

Notes:

Element 8
Estimates

Estimates

Learning Element outcome

This specific learning outcome will enable you to describe the formats of the different types of estimates

Summary

Estimates for works to be taken up should be prepared in the standard formats for ease of understanding.

Introduction

As per the guidelines of MGNREGS it is not recommended to procure the tools centrally, but in case they are procured or facilitated by the Gram Panchayat, formats discussed in this element will help to maintain the stock of the tools and material procured at site.

1. Format for Detailed Estimate

The purpose of the estimate is to get the estimated quantities of different kind of tasks to complete the work. In the detailed estimate only quantities of each task are assured/ estimated. The format for detailed estimate is given below.

S No	Description of the task	Unit of work (cum/m^2/rm*/nos)	Number	Length (m)	Width (m)	Depth (m)	Quantity (in cum/m^2/ rm)

2. Abstract Estimate

This type of estimate helps to get and represent the amount required for completing the different tasks and complete the work. The format for this is given below.

S No	Description of the task	Unit of work (cum/m^2/rm*/nos)	Quantity	Rate**	Amount

3. Abstract cum Detailed Estimate

This is the combined format of the above two types of estimates, which help to represent the quantities as well as the expected costs of the different tasks of the work. This format is generally used for small works.

S No	Description of the task	Unit of work (cum/m^2/rm*/nos)	Number	Length (m)	Width (m)	Depth (m)	Quantity (in cum/m^2/ rm)	Rate**	Amount

Key Learnings

1. What are different type of estimates, explain the differences

_____

_____

_____

_____

_____

2. Which among different types of estimates does' not have information about dimensions of the proposed work

_____

_____

_____

_____

_____

Exercise

1. Explain the different columns of the Detailed cum abstract estimate

_____

_____

_____

_____

_____

_____

_____

_____

_____

2. It is estimated that a certain task would require 3 cubic metre of excavation in soft soils, if the rate for the same is Rs 110 per cubic metre in soft soils, put the information in the Abstract estimate and find the estimated cost for the particular task.

S No	Description of the task	Unit of work (cum/m^2/rm*/nos)	Quantity	Rate**	Amount

Notes :

Element 9

Shelf of work resister and Asset register

Shelf of work resister and Asset register

Learning Element outcome

This specific learning outcome will enable you to describe the details mentioned in shelf of work register and Gram Panchayat Asset Register

Summary

This element explains you about shelf of work register, which keeps the record of the approved works and their estimated costs. This element also explain the format of Gram Panchayat's asset register which helps to keep record of the completed works including costs, completion date, expenditure etc.

Introduction

GP has to maintain shelf of works resister with all the details of sanctioned works. This will help GP to open works against the demand from labourers. This also helps to track the status of work like how many are available and how many are opened already.

MGNREGA is an important livelihood supporting programme as well as it creates assets for the villages. Asset registers are a way to keep and maintain record of such assets created under the programme. At the time of execution of these works, different details may be required to be referred. Most of these details are maintained in shelf of works register. The GP need to attend periodical maintenance of certain assets built under MGNREGS. The asset resister helps to track the maintenance needs of certain works to be attended by GP. The formats for shelf of work and asset resister are being discussed in this element.

Shelf of work Register

S No	Name of GP	Name of Work sanctioned	Work ID	Location / Farmers name	Admin Sanction number and date	Tech sanction number and date	Estimated cost (in Rs)			Number of person days	Expected outcome/ benefit	Date of commencement of work
							Wage	Material	Total			
1	2	3	4	5	6	7	8	9	10	11	12	13

Note;

1. Shall be maintained by the BFT/TA
2. Shall be maintained year-wise

Shelf of work resister and Asset register

Shelf of work register and Asset register

Asset Register

Asset register is the record of all the assets created under the programme in a Gram Panchayat (GP). A sample format is being given below:

			1	Work ID	
			2	Name of work	
			3	Village	
			4	Gram Panchayat	
			5	Location of Work	
			6	Implementing Agency	
			7	AS & FS	Sanction Order No and date
			8	TS	
			9	Date of start	
			10	Date of completion	
			11	IDs of muster roll used	
			12	Expenditure on wage	Expenditure
			13	Expenditure on material	
			14	Total	
			15	Date of completion of social audit	
			16	Date of issuance of completing certificate	
			17	Condition of the work (post project)	
			18	Benefits derivable in terms of description of capacity in area across, length (metres) numbers etc	
			19	Current status (useful/partly useful /abandoned/useless.	

A
AS & FS: Administrative Sanction and Financial Sanction and TS: is technical sanction

Key Learnings

1. What is the purpose of shelf of works register?

_____

_____

_____

_____

_____

2. What is the purpose of asset register?

_____

_____

_____

_____

_____

3. Mention the details to be covered in shelf of works register

_____

_____

_____

_____

_____

Exercise

1. Explain the columns in the shelf of works register
2. _____
3. _____
4. _____
5. _____
6. _____

7. Explain the columns to be filled in the Asset Register of the Gram Panchayat
8. _____
9. _____
10. _____
11. _____
12. _____

13. Who is responsible for maintaining the asset register?
14. _____
15. _____
16. _____
17. _____
18. _____

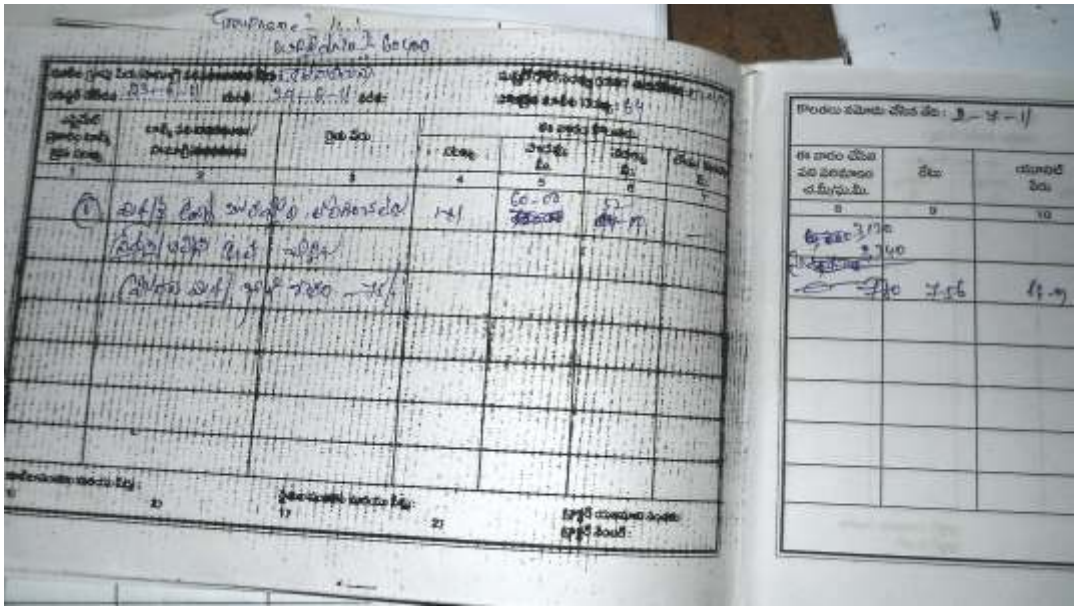
Shelf of work resister and Asset register

Field Notes:

Element 10
Measurement Book and Bill of Quantities



Learning Element outcome

This specific learning outcome will enable you to describe the details which are required to be filled in Measurement Book and Bill of Quantities

Summary

This element explains you about the format of the measurement book and that of Bill of quantities. This will help you to understand these documents, and also to provide support to Technical Assistant

Introduction

Measurement Book is an important document in relation with any works taken up under MGNREGS. All the measurements of the completed works are recorded in the measurement books and which become the basis of all the payments in MGNREGS programme.

Bill of Quantities is also the part of Measurement book format, which reflects the itemized details of labour and material. This is basically the same information which is presented in right side page of the Measurement Book

Measurement Book

As described earlier, measurement book or M Book is the tool for recording the measurements of the works, which require for the payment purpose. In left side page of measurement book BFT has to record the dimensions of the works to help and also to calculate volume of the work done. The format of left side page of measurement book is given bellow.

Name of the Work: Execution of Compost pit	Work ID:
Muster Period: 8.12.2014 – 15.12.2014	**Muster Number**

S No	Task number as per approval	Task Details	Number	Length	Width	Depth/height
1	**2**	**3**	**4**	**5**	**6**	**7**

This format helps to calculate the quantification of work done.

Right Side Page

Right hand side page in Measurement Book or M/ Book is for recording the Bill of Quantity. This already has been discussed in the element 6 of this Learning Unit, however the format is again being reproduced

Technical Sanction	Admin Sanction no:
Muster Period	**Estimated cost**

Quantity of work done during the week	Units	Quantity of work done in this week	Rate	Amount
8	**9**	**10**	**11**	**12**

Bill of Quantities:
Bill of quantities reflect the quantity of work done under different tasks and rates of the material and that of labour, thus the total amount of the work done

Technical Sanction	Admin Sanction no:
Muster Period	**Estimated cost**

S No	Description	Quantity of work done	Units	Rate	Amount
1	2	3	4	5	6

Key learnings

1. What is the purpose of Measurement book?

_____

_____

_____

_____

2. What is purpose of Bill of Quantities?

_____

_____

_____

_____

3. What are the detail captured in the Bill of quantities?

1._____

2._____

3._____

4._____

5._____

Exercise

1. Explain the columns given on left side page of the measurement book

_____

_____

_____

_____

_____

_____

_____

_____

2. What is the purpose of right side page of the measurement book.

_____

Class Notes:

Element 11
Pay Order and Wage Slips

Pay Order and Wage Slips

Learning Element outcome

This specific learning outcome will enable you to describe the formats for Pay Order and Pay Slips in context of the MGNREGS.

Summary

This element will help you to understand the components of the pay order and pay slips to be given to labourers.

Introduction

Pay orders are instruments which communicate how much amount is to be paid to the labourer based on work done by the group. The Pay slip or wage slip is the information given to the labourers about the earned wages of a given week / fortnight.

Pay Slips

Individual Pay slips or wage slips communicate to each worker, the details of weekly wage payments like work ID, wage rate, number of days worked, amount earned by the worker during the week etc. there by increasing transparency in the implementation of program. The details that are included in Pay Slip are indicated in the following format

1. Name of Worker.
2. Address.
3. Job Card No.
4. Description of the Project where the worker has performed the work.
5. Muster Roll I.D.
6. Credited amount Rs…… (in words ……)
7. Work done by you during the period from…… (Date) to ……(Date)
8. Pay Order No …… Dated ……

Payment Order

Payment order or Pay Order is the instrument which provides the information for issuing the cheque or Fund Transfer Order (FTO) by the programme officer. It contains the information related to name of wage seekers, work done by them amount payable to them etc.

The format is given bellow

Payment Order - Format

Name of Panchayat:

S No	Group Name	Name of the wage seekers wage seeker	Job Card ID No.	Aadhaar card No	Muster date (from to)	No of days worked	Account number	Other allowances (in Rs.)	Total Amount to be paid (in Rs.
1	2	3	4	5	6	7	8	9	10
								Total	

Sign of the pay order passing authority
Date:

Key Learning

1. What is *the purpose of* pay order

_____

_____

_____

_____

_____

_____

2. What is *the purpose of* wage slip or pay slip

_____

_____

_____

_____

_____

3. What are the important details reflected in the pay order

_____
